

What do I think it means to be a Schluter Spur?

I **think** it means to help somebody out when they need a shoulder to lean on.

I **think** it means to make a **promise** and *keep it*.

I **think** it means to *treat someone how you want to be treated*.

...Don't **judge** somebody. Don't leave someone out. But most of all, don't **bully** anyone.

EVER.

What I'm trying to say is...

Don't be the one sitting there watching everything go by because **1,000,000** starts with **ONE** and you could be the **ONE**. You could be the *one* who stops **bullying**. The one that donates to a local shelter or starts a feeding hunger program.

You could change the world. WE could change the world.
